

Greentree Elementary School
Title 1 Parent Involvement Policy

Greentree Elementary School staff believe that well-informed parents who are actively engaged in the decision-making process relative to their children's education contribute significantly to the success of each student and the school as a whole.

1. The Greentree staff will hold at least one annual meeting to inform parents of the school's participation in the Title I- Part A program, to explain the program's requirements, and the right of parents to be involved in the Title I - Part A programs.
2. The school will convene the meeting at a convenient time for parents. The school will invite parents to this meeting and encourage all to attend.

The school will provide to parents of participating children information in a timely manner about the school's Title I - Part A programs of intervention that includes a description and explanation of the school's curriculum, the forms of academic assessment used to measure children's progress, and the proficiency levels students are expected to meet.
4. The school will solicit requests from parents through various means in decisions about the education of their children. The school will respond to any such suggestions as soon as practically possible.
5. The School -Parent-Student Compact which outlines how the parents, the entire staff, and the students will share the responsibility for improved student academic achievement will be part of the annual on-line school information packet.
